EDUCATION

B.Tech in Computer Science Engineering 2023 – 2027 BVRIT Hyderabad College of Engineering for Women CGPA: 9.54

State Board of Intermediate Education

2021 – 2023 SR Junior College Percentage: 96.7

Secondary School Education

2020 – 2021 ZPHS Tharigopula CGPA: 10.0

EXPERIENCE

Software Development Intern – Being Zero

March 2026 – Present

- Collaborating with mentors and team members to design, implement, test, and debug software features.
- Participating in Agile development, code reviews, and version control using Git and GitHub.
- Optimizing application performance and improving user experience through development best practices.
- Mentored college students in Data Structures and Algorithms, helping them build strong problem-solving and coding skills.

MENTORSHIP

Ananya Goldman Sachs Catalyst 25' Engineering Program

May 2025 – July 2025

- Courses: Data Structures and Algorithms, Soft Skills.
- Participated in mentorship sessions focused on problem-solving, career development, and industry readiness.

PROJECTS

Gated Communities and Apartments Management System

Developed a web-based platform for residents, security, and administrators to manage visitors, complaints, events, and community communication.

- **Tech Stack:** HTML, CSS, JavaScript, Node.js, Express.js, MySQL
- Implemented secure authentication, role-based access, and backend APIs with MySQL integration.
- Built responsive UI components for an improved user experience.

ChatPoll – Real-Time Chat and Polling Web Application

Developed a real-time chat and polling application supporting room creation, instant messaging, and anonymous polls.

- **Tech Stack:** React.js, Tailwind CSS, Spring Boot, MySQL, WebSocket, REST APIs
- Implemented WebSocket-based messaging and integrated REST APIs with MySQL.
- Built dynamic and responsive interfaces using React.js.

SKILLS

Programming: Java, C

Web Technologies: HTML, CSS, JavaScript, React.js, Node.js, Express.js

Database & Cloud: MySQL, Microsoft Azure

Core Concepts: Data Structures, Problem Solving

Tools: VS Code, Eclipse, Jupyter Notebook, Google Colab, Tableau, Overleaf

Soft Skills: Leadership, Communication, Teamwork, Adaptability

CERTIFICATIONS

- Realtime Programming for the QNX Operating System – Pi Square Technologies
- Microsoft Azure – Intellipaat
- DevOps 101 – Simplilearn SkillUp
- Introduction to Software Testing – Simplilearn
- Flipkart GRID 6.0 – Software Development Track (Participant)
- Great AppSec Hackathon 2024 (Participant)

ACHIEVEMENTS

- Selected for the 6-Year Medha Sampurna Shiksha Scholarship Program by Medha Servo Drives.
- Second Runner-up in Coding Round – MindMaze: Quest for Knowledge.
